Councillor Whitbread responded to questions from Councillors Henderson, Turrell and Mackrory in relation to the possible criteria when spending monies

that may be received by ECC following the move to Tier 2 Coronavirus restrictions, the level of shortfall expected against Council Tax receipts and related mitigation measures, the possible uses of the 'emergency' category within the reserves, the return of funding to the Clinical Commissioning Group (on which additional detail would also be provided to Councillor Henderson in writing), the removal of the Essex Employment Space project, and the possibility of staff reductions.

Written responses would be provided to Councillor Henderson by Councillor Whitbread in relation to shortfalls in the funding provided by central Government to compensate for the Council's emergency spending due to Covid-19, and the costs and impacts related to residential and domiciliary care.
