The purpose of this report is to confirm that in July the Committee will be considering Commissioning Strategies on two occasions.

On Tuesday 22 July arrangements are being made for the Committee to receive a briefing on the principles behind the Strategies and how Members might approach their consideration of the issues. Fuller details of the briefing will be sent out nearer the date.

At its formal meeting on 24 July the Committee will consider the following three strategies that are pertinent to its remit:

- People in Essex live in safe communities and are protected from harm
- Sustainable economic growth for Essex communities and businesses
- People in Essex experience a high quality and sustainable environment

Details of the strategies will be circulated with the agenda that will be published in advance of that meeting that will be open to the public.
