

Integrated Care Partnership Terms of Reference Draft v2

7 June 2022 Draft v2

1 Purpose

The Integrated Care Partnership (herein referred to as the ICP) is a partnership across Mid and South Essex, established by the Mid and South Essex Integrated Care Board and the three upper tier local authorities (Southend City Council, Essex County Council and Thurrock Council) as equal partners, with a focus on aligning purpose and ambitions to support the residents of Mid and South Essex. It is formed as a joint committee between the Mid and South Essex ICB and the upper tier local authorities.

The ICP will facilitate joint action to improve health and care outcomes, to influence the wider determinants of health and broader social and economic development.

Together, the Mid and South Essex Integrated Care Board (ICB) and the Mid and South Essex ICP forms the new statutory Mid and South Essex Integrated Care System (ICS).

The ICP has specific responsibility for developing the Mid and South Essex Integrated Care Strategy for the whole population. The strategy will take forward the health and wellbeing strategies of our upper tier health and wellbeing boards, use the best available evidence and data, covering health and social care (both children's and adult's social care), and seek to address the wider determinants of health and wellbeing. The strategy will be built bottom-up from local assessments of needs and assets identified through our four Alliances, district, borough, and city councils. The strategy will be focused on improving health and care outcomes, reducing inequalities, ensuring inclusion, and addressing the consequences of the pandemic for our communities.

While the ICP has no formal delegated powers from its constituent organisations, it will provide leadership, oversight, and support for system-wide activities, playing a key role in ensuring joint accountability to our population.

The ICP builds on the existing Health & Care Partnership and will therefore be underpinned by the existing Partnership Memorandum of Understanding (MoU), which will need to be slightly amended in light of the agreed new membership of the ICP and these ToRs should be read in conjunction with that modified MoU.

The existing Health and Care Partnership 5-year Strategy (December 2019) describes the following high-level ambitions which will support the ICP in its definition of the integrated care strategy:

We will reduce health inequalities by:

- Creating opportunities for our residents, through education, employment, and socio-economic growth
- Support health and wellbeing, with a focus on prevention, self-care, and early identification
- Bring care closer to home, where safe and possible
- Transform and improve our services

This will be underpinned by:

- Strong clinical and multi-professional leadership
- Meaningful engagement with our communities to ensure true coproduction

2 Our Beliefs and Values as an Integrated Care Partnership

- **Subsidiarity** - devolving planning and delivery to the lowest possible level.
- **Respect for sovereignty** of statutory organisations
- **Collaboration** to bring about improved Standards, Outcomes and the application of Common Clinical Policies
- **A shared agenda** driven and owned by partners working together with a focus on **reducing health inequality**
- **Data Driven:** serving the individual needs of our population, not organisations
- **Delivery of integrated care**, with meaningful engagement with our communities
- **Asset and strengths-based approaches**, delivering care according to people's preferences
- **A focus on healthy lives** – prioritising prevention and self-care
- **Clinical and Care Professional engagement** at the earliest opportunity
- **Empowering front line staff to do the right thing** – through distributed leadership
- **Pragmatic pluralism** –differing needs across our populations require different approaches. Not a one size fits all approach
- **Innovative - trying** new and innovative approaches, test and learn

3 Our Responsibilities as an Integrated Care Partnership

The ICPs responsibilities are to:

1. Develop the integrated care strategy for the population of Mid and South Essex.
2. Design and oversee a joint accountability framework to ensure delivery of the integrated care strategy.
3. Ensure the integrated care strategy:
 - a. Is focused on reducing the inequalities that our population faces
 - b. Uses the best available evidence and information, including the joint strategic needs assessments and health and wellbeing strategies of local authorities
 - c. Is built 'from the bottom up' taking account of health inequalities, challenges, assets and resources locally at neighbourhood and Alliance level.
 - d. Expands the range of organisations and partners involved in strategy development and delivery.
 - e. Is underpinned by insights gained from our communities.
 - f. Benefits from strong clinical and professional input and advice.
2. Agree and monitor delivery of Alliance plans (Basildon and Brentwood; Mid-Essex, South-East Essex and Thurrock), with a focus on shared learning and support.
3. Agree and have oversight of the statutory ICS health inequalities strategy.
4. Consider recommendations from partners and reach agreement on:

- Priority work programmes and workstreams that would benefit from a cross-partnership approach
 - The apportionment of transformation monies from national bodies aligned to the ICP
 - The need to take joint action in relation to managing collective issues and challenges.
5. Commission specific advice from established groups – including but not limited to, the Clinical and Multi-professional Congress, our Population Health Management function, our Engagement Network, Healthwatch organisations, Stewardship groups, our Digital, Data and Technology Board, our People Board, our System Finance Leaders' Group, and our Estates function, in order to obtain subject matter expertise, leadership, advice and support in setting the strategic direction of the ICP.
 6. Provide active support to the development of the four Alliances across Mid and South Essex, enabling local partnership arrangements, engagement and co-production, bringing together Local Authorities, voluntary and community groups, NHS partners and residents. Facilitate and support cross-Alliance working and sharing of best practice where this would benefit the population or provide efficiencies in our approach.
 7. Ensure that the ICP has a greater focus on population health improvement, integration of health and care services around the needs of residents, and a focus on care provided in primary and community settings.
 8. Provide a mechanism for joint action and joint decision-making for those issues which are best tackled on a wider scale.

For the avoidance of doubt, it is not a function of the ICP to duplicate the statutory functions of constituent organisations.

The Mid and South Essex ICP will not perform a health scrutiny function and will itself be subject to scrutiny by the Health Scrutiny Committees as appropriate of Southend City Council, Essex County Council and Thurrock Council.

4 Chair and Vice Chair Arrangements

- 4.1 The Mid and South Essex will appoint a Chair and three vice-Chairs annually. The Chair and vice-chairs will hold office until they resign, cease to be a member of the Mid and South Essex ICP, or cease to be a member of the organisation that appointed them to the ICP.
- 4.2 If a vacancy arises for any position within the Municipal Year, an appointment will be made for the remainder of the Municipal Year.
- 4.3 For the first year of operation, the Chair of Mid & South Essex ICB will act as Chair of the ICP. The chairs of the three upper tier local authorities Health and Wellbeing Boards (Southend City Council, Essex County Council and Thurrock Council) will act as vice chairs.

- 5.4 Where a member is to be appointed other than by an upper tier local authority or the ICB then the ICP will invite nominations via any fair process determined by their appointing organisations and the agreed nominee will be co-opted on to the ICP at a meeting of the ICP. In the event that there is no clear nominee or if there is a dispute as to the identity of the nominee, the ICP may co-opt as it thinks fit.
- 5.5 Southend City Council, Essex County Council, and Thurrock Councils will not exercise Health and Wellbeing Board activity through the Mid and South Essex ICP.

Such a deputy must have sufficient seniority and understanding of the issues to be considered to represent their organisation, Alliance, or group effectively. Deputies will be eligible to vote if required. The Chair of the Mid and South Essex ICP must be informed in advance of the relevant meeting of the identity of a substitute

- 9.3 If there is no quorum at any stage during a meeting, the Chair will adjourn the meeting for a period of ten minutes, or longer, at their discretion. If there remains no quorum at

the expiry of this period, the meeting will be closed, and no further business will be transacted.

If seconded, a vote will be taken without discussion.
- 10.3 If the member continues to behave improperly after such a motion is carried, the Chair, or person presiding over the meeting, may move that either the member leaves the meeting or that the meeting is adjourned for a specified period. If seconded, a vote will be taken without discussion.

11 Conduct of Business

- 11.1 The Mid and South Essex ICP shall hold at least four meetings each year. 12 Notice of and Summons to Meetings

- 12.1 At least five clear working days before a meeting, a copy of the agenda and associated papers will be sent to every member of the ICP and made available to the public for meetings held in public. At the end of each reply, the questioner may ask one supplementary question arising from the answer. A member of the Mid and South Essex ICP nominated by the Chair will either give an oral reply to the question and/or any supplementary question orally or will indicate that a written reply will be sent to the questioner within 5 working days. There shall be no debate about the question or any supplementary question between members of the Mid and South Essex ICP.
- 14.5 The period allocated to questions under 14.1 shall be limited to 20 minutes unless the Chair agrees to extend this time. Any questions remaining after that period has elapsed shall be subject to a written reply within 5 working days.
- 14.6 Answers given orally at the meeting shall be included in the Minutes. Written replies shall be copied to all members of the Mid and South Essex ICP.
- 14.7 For the purposes of 14.1 to 14.6 above and for the avoidance of doubt a County Councillor, or a District Councillor for a District Council in Essex, or a councillor of Southend City Council or Thurrock Council who, in either case, is not a member of the Mid and South Essex ICP shall be regarded as a member of the public.

15 Voting

- 15.1 The ICP will generally operate on the basis of forming a consensus on issues considered and will attempt to resolve in good faith any issues between partners, as per the principles of the Partnership MoU. It will seek to make any decisions on a "Best for Mid and South Essex" basis.
- 15.2 On the rare occasion that a vote is required to support a decision, for example, should that become necessary in respect of priorities for investment or apportionment of transformation funding, the ICP may make a decision provided that it is supported by a simple majority of ICP members present at the meeting. If notwithstanding a consensus decision cannot be achieved, the issue resolution process outlined in the MoU will be followed.
- 15.3 In the case of an equal number of votes the Chair (or in his/her absence the Vice Chair presiding at the meeting) shall have a casting vote.

16 Accountability and Reporting

- 16.1 Minutes, and a summary of key messages arising from each meeting will be submitted to all members after each meeting and made available on the ICS website.

- 17.2 Where any ICP member has an actual or potential personal conflict of interest (in other words, one which is not related to the role they undertake for the partner organisation) in relation to any matter under consideration at any meeting, the Chair shall decide, having regard to the nature of the potential or actual conflict of interest, whether or not that member may participate and/or vote in meetings (or parts of meetings) in which the relevant matter is discussed.
- 17.3 Where the Chair decides to exclude a member, the relevant organisation represented by that member may send a deputy to take the place of the conflicted member in relation to that matter.
- 17.4 Each member must abide by the policies of the organisation they represent in relation to conflicts of interest.

18 Professional & Administrative Support

- 18.1 The secretariat function for the ICP will be provided by the Mid & South Essex ICB in partnership with upper tier local authorities. A member of the team will be responsible for arranging meetings, recording notes and actions from each meeting and preparing agendas and ensuring these are agreed by the Chair and Vice Chairs.
- 18.2 The Mid and South Essex ICP may establish Programme Boards/Advisory Sub-Groups to oversee specific work programmes or broader thematic areas as required. Programme Boards/Sub-Groups, reporting into the Mid and South Essex ICP, will be managed in accordance with separate terms of reference as agreed by the Mid and South Essex ICP
- 18.3 The role, remit and membership of Programme Boards/Advisory Sub-Groups will be reviewed regularly by the Mid and South Essex ICP to ensure they remain flexible to the demands of ongoing and new programmes of work.

19 Minutes

- 19.1 The Chair will sign the minutes of the proceedings at the next suitable meeting after they have been agreed as a correct record at that meeting. The Chair will move that the minutes of the previous meeting be signed as a correct record.
