The committee elected Cllr V Metcalfe and Cllr J Young as Vice-Chairman of the committee for the forthcoming municipal year.

**4. Questions from the public**

There were no questions from the public received.

**5. Organisation Strategy**

The committee received a verbal update from Patrick Guthrie, Head of Profession, on Essex County Council's (ECC) Organisation Strategy.

- ECC works to a four year strategy in line with the County Council election cycle
- The organisation plan was adopted at Full Council in February 2019
- The strategy has four aims:
  - Enable inclusive economic growth

- Help people get the best start and age well
- Create great places to live and work
- Transform the Council to do more with less
- The strategy is more focussed and evidence based
- The strategy is ambitious but realistic
- It recognises that the role of the council needs to change
- The performance aspect of the strategy will be reported on in ECC's Annual Report in July 2019
- It was felt that an mid-point review was not required as the strategy is kept under review continuously
- There have been no changes to the strategic environment that required any changes being made to the strategy
- Delivery of the strategy is embedded through business plans
- Business plans for 2021 – 2024 will start being put together from the end of this year.

High level strategies are moved into specific policies which are scrutinised.

Strategies around living well and keeping fit and good but in some cases, ECC are charging for people to do Parkrun's in its Country Parks.

The report in July 2019 will be shared with the committee.

Updates on how the strategy is performing are presented to PLT on a regular basis.

There seems to be a lack of consistency in ECC around producing qualitative data. It is difficult to record data on non-service delivery topics but the key messages are extracted.

Benchmarking is a core measure of performance against other councils.

Engagement with Members and employees was undertaken when formulating the current strategy. External consultants were not used as part of this process.

### **Actions**

- 1) Report on the performance of the strategy that will be published in ECC's annual report in July 2019 is to be shared with the committee.
- 2) Engage with the committee in October 2019 when formulating future business plans.

## **6. Business Rates Retention and Fair Funding Review**

The committee received report CPSC/09/19. Cllr Gagan Mohindra, Cabinet Member for Finance, Property and Housing provided the following introduction:

- Business Rates Retention (BRR) and the Fair Funding Review (FFR) have been a longstanding issue for ECC
- The money received into ECC from these is not significant but it does encourage growth within the County

- BRR consultation has been impeded by current international matters (Brexit)
- People are living longer and rely on more expensive services if they are required
- ECC is liaising closely with MP's in Essex to gain their support for BRR and FFR
- ECC may receive a larger share of BRR in the future but as a result would no longer receive the revenue support grant.

Employment land is the responsibility of the District and Borough Councils as part of their local plans.

Cash machines are liable for business rates.

ECC have been in conversations with central government around the disparities between what Counties receive compared to inner London authorities.

ECC are continuing to press central government for a response as to when a decision on BRR will be made.

Until the consultation results are available, there is not a figure on what the BRR growth will be.

ECC needs to be proactive in policies going forward to maximise the amount of funding received into the authority.

Fair Funding has an impact on the majority of ECC's budget.

### **Actions**

- 1) A copy of ECC's response to the Fair Funding Review is to be shared with the committee.

### **7. 2018/19 Provisional Outturn**

The committee received report CPSC/10/19. Cllr Gagan Mohindra, Cabinet Member for Finance, Property and Housing provided the following introduction:

- There is a 1% underspend on the revenue budget
- The underspend has been attributed to the mild weather

### **8. Work Programme**

The updated work programme was noted by the committee.

A further update on the Organisation Strategy has been added to the work programme for the committee's October meeting.
