Executive summary

Title of policy / decision: The Helena Romanes School, Great Dunmow – a new learning village including primary provision

Policy / decision type: Cabinet Member Action (CMA)

Overview of policy / decision: Serving notice for land to be transferred to the Secretary of State for Levelling Up Housing and Communities to enable the Department for Education(DfE) to undertake building of a new All-Through School which will relocate Helena Romanes Primary School to a new site at Buttleys Lane, Great Dunmow.

What outcome(s) are you hoping to achieve?: This will help Essex County Council (ECC) to deliver on the following key commitments set out in Everyone's Essex – Our plan for levelling up the county: 2021-2025.

1. Achieving net-zero: A new school site will be provided close to where additional demand is anticipated from new homes, thereby minimising the need to travel. Any new school would be built to the DfE's 2022 specification for aiming towards net zero.
2. Supporting high quality education outcomes: High-quality new provision would enable children to learn and teachers to teach in the most conducive environment for success.

However, ECC itself will not be taking forward the building project directly, as the remit for doing so falls to the DfE (as noted within the Overview above). This is because the school concerned is an Academy.

Executive Director responsible for policy / decision: Helen Lincoln (Children, Families & Education)
