Dear Mr Burns,

Following our initial representation (attached), Tarmac have been in contact with us and discussed the additional information provided. On behalf of Colchester Zoo, I can confirm that we have no concerns that there will be any negative effects on our future vision with the additional information presented as part of the application.

Other than reiterating the previous representation made by us at Colchester Zoo, we do not have any further comment to add.

Thank you for your time to take our comments into consideration.

Kind regards
