		CYP/03/12
Committee:	Children and Young People Policy and Scrutiny Committee	
Date:	5 January 2012	
<u>Cabinet Member Decision Call In</u>		
Enquiries to:	Graham Redgwell	

Under the revised rules agreed by Council in 2011, a call in may be made to any Committee. If a call in is made but then resolved at the informal stage, it must be reported to the appropriate Committee for information.

There has been one call in since the last public Committee meeting. Councillor Higgins called in a decision by the Cabinet Member for Education and the 2012 Games regarding a change in policy with respect to escorts provided on transport to Primary Schools. Councillor Higgins reason was that the documentation did not indicate that an adequate Equality Impact Assessment (EIA) had been carried out.

Having discussed the matter with the Cabinet Member at the informal stage, Councillor Higgins was satisfied with the answers given and withdrew the call in.
