WORK PROGRAMME

The majority of the first two scheduled Activity Days for the committee (13 July and 3 August 2017) will comprise induction sessions and preliminary topic selection and work planning (in private). Thereafter, there will be a regular agenda item to consider the latest position on the work programme for the committee and what key issues are on the horizon.

Action required by members at this meeting:

Members are invited to defer further formal consideration of the work programme of the Committee pending discussions as part of the separate private induction and work programming sessions underway.
