Title of Decision	Bid to the Office of Zero Emission Vehicles OZEV (formerly the Office of Low Emission Vehicles OLEV) for funding for residential on-street electric vehicle charging infrastructure
Brief summary of the issue to be decided	<p>Over the next decade internal combustion engine vehicles will be phased out with new car and van sales banned from 2030. It is therefore essential that Essex County Council prepares for this transformative change to how vehicles are powered to increase the sustainability of our transport system and reduce carbon generation related to travel in Essex.</p> <p>While many people are able to charge their vehicle at home, around 40% of people do not have access to off street parking that is suitable for the charging of an electric vehicle. The project will see the installation of up to 108 on-street charging points for electric vehicles at up to 18 locations across Essex.</p> <p>The project will funded jointly by a commercial partner and a bid by ECC to the Office for Zero Emission Vehicles (OZEV) On-street Residential Chargepoint Scheme.</p> <p>To seek approval from the Cabinet Member for Infrastructure and Deputy Leader for;</p> <ul style="list-style-type: none"> the Director for Highways and Transport to develop the OZEV bid, working with ECC officers, relevant district authorities and with the proposed service provider. the submission of a bid to OZEV to secure funding for the installation residential on-street electric vehicle charging infrastructure.
