Committee Health Overview and Scrutiny

Date 3 December 2010

Health for North East London (H4NEL)

Report by: Graham Redgwell, Secretary

A number of stakeholder events were held in North and East London during September at which H4NEL put forward its proposals to revise services in the area. These services impinge upon a number of Essex residents and the Committee authorised Councillor John Knapman to attend appropriate events on its behalf.

Councillor Knapman will be giving an oral report on the above.

Comments from Councillor Chris Pond will also be presented to the meeting.
