Recommendation:

To discuss and note updates given by members.

The HOSC Chairman and Vice Chairmen have requested that there be a standard agenda item to receive member updates (usually orally but advance briefing papers can be included in agenda packs if preferred)

Members are encouraged to attend Board and other public meetings of their local health commissioner and providers and report back to the HOSC any issues of interest and/or relevance to the committee.

In particular, there are two HOSC members who serve as ECC representatives observing the following bodies who may wish to update on their attendance at any recent meetings:

Councillor Anne Brown (North East Essex CCG)

Councillor Beverley Egan (Castle Point & Rochford CCG);

In addition, issues arising from the work of the Joint HOSCs established with (i) Suffolk and (ii) Southend and Thurrock respectively, should also be highlighted.

Note: in view of the shorter than usual gap between the October and November meetings of the Committee, no Chairman and Vice Chairmen meeting has been held in that period. Instead, much of the planning for today's session on A&E and seasonal pressures planning was conducted as part of an all-committee prep session on 23 October 2018.
