Purpose of report and Decision Areas and Recommendations	To receive the attached report updating the Board members on the progress being made towards delivering integrated commissioning
--	--

Background and context.	The Health & Wellbeing Board has a duty to encourage integrated working. Significant work is occurring between the Accountable Officers at the CCGs and the commissioning leads at Essex County Council. The attached report sets out the context to joint commissioning, the priorities and lead commissioning arrangements that have been agreed. The report also sets out the next steps which include an accelerated design event.
Options/Proposals	The report is to update the HWB members.
Conclusions	To note the progress being made.
