

Further Notification of Proposal to Meet in Private

This is a further notice that on 21 June 2016 the Cabinet of Essex County Council Cabinet intends to take the following decision in private:

Waste Disposal - Contract Issues (Agenda Item no 12)

Reasons for the meeting to be held in private:

The report includes consideration of (1) confidential legal advice to which privilege could be maintained in legal proceedings and (2) information about the financial and business affairs of the local authority and its contractor. The report therefore includes information which is exempt information falling within paragraph 3 or 5 of Schedule 12A to the Local Government Act 1972. Whilst the Council normally seeks to take decisions in public, there is a clear public interest in favour of protecting the Council's commercial and legal position in this matter

This is a further notice of the Council's intention. No representations were received by the Council about why the relevant part of the meeting should be open to the public.
