

Notice of a proposal to take a Key Decision
without it having been on the forward plan for 28 clear days

To Chairman of Corporate Policy and Scrutiny Committee

This is to formally notify you that it is proposed to take the following decision:

Better Care Funding

I am writing to give you notice that, not less than five clear days after this email, likely to be at Cabinet on 16 March 2021, it is planned to take a key decision which is not on the forward plan

The decision relates to the allocation of Better Care Funding and making arrangements to spend it and enter into the necessary agreements with NHS bodies.

It is proposed that the decision will be taken by:

Cabinet

The decision is considered to be urgent because:

The reason for the decision being urgent is that we need to put arrangements in place by 31 March 2021 and we wish it to be considered by the Cabinet. Unfortunately the requirement to put this on the forward plan was overlooked by the officers dealing with the report.

It is proposed that the decision will be taken not less than five clear days from the date this notice was given to you. A copy of this notice will be placed on the Council's website.

If you would like more information about this matter please contact the decision maker or the person named below:
