- 2.2 Subject to clause 2.3, 2.4 and 2.5 below and to the conditions in this agreement Harlow shall (save in the event of manifest error) pay the Payment to Essex in four equal quarterly instalments in advance made in January, April, July and October (such payment being made on the date upon which Harlow is due to make precept payments to Essex under the provisions of the Local Government Finance Act 1992 (“the Payment Dates”) which occurs during the Term.
- 2.3 The Payment for the period starting on the Commencement Date and ending on 31 March 2020 shall be paid in two equal instalments due on the date hereof and on 1 January 2020.
- 2.4 Where Harlow formally disputes any part of a Payment and Harlow has raised a dispute under clause 12 Harlow may withhold the disputed part (“the Disputed Sum”) until the provisions of clause 12 have been exhausted or are no longer being pursued by one or both parties.
- 2.5 Once the provisions of clause 12 have been exhausted or are no longer being pursued by one or both parties then Harlow shall (except to the extent that agreed outcome of the dispute resolution process is that Harlow do not have to pay some or all of the Disputed Sum) then pay the Disputed Sum within seven days together with interest on the Disputed Sum paid at the Law Society’s Interest Rate from the date that the payment was due under 2.2 or 2.3 until payment.

3. THE TERM

- 3.1 This agreement shall start on the Commencement Date and, subject to the provisions of clause 4 shall continue until the Expiry Date.
- 3.2 At any time after 1 October 2021 Harlow may give one year's written notice to terminate this agreement. Any notice served under this Clause 3.2 shall be effectively served if sent by registered post addressed to the Chief Executive of Essex or sent by email to such address as Essex may at the time designate for this purpose.
- 3.3 Upon termination of this agreement (however so arising) Essex shall promptly and within 30 working days of termination produce a final written account in accordance with Schedule 1 which shows whether or not there has been an under or over payment. If the final account shows that a party owes money to the other, then that Party shall within 30 working days of the agreed final account pay that sum to the other Party.

4. TERMINATION

- 4.1 Either party may terminate this agreement with immediate effect if the other party is in serious or persistent breach of this agreement which the party has failed to remedy having been given reasonable prior written notice of the breach and remedy sought which in particular shall mean if Harlow (in the absence of manifest error) has failed to make a payment due under clause 2.2 or 2.4 within 30 days of it becoming due.
- 4.2 This agreement shall immediately terminate without notice in the event that Essex is no longer responsible for any Lights
- 4.3 Without prejudice to the above this agreement shall immediately terminate without notice in the event that Essex decides at its own cost to illuminate every Light during the Dark Period in whole or part of any other City, District or Borough within Essex (other than in accordance with any exemption criteria set from time to time by Essex).

5. EXTENT OF COMMITMENT

- 5.1 Essex does not promise that every Light in the District will be in operational condition at any one time. Where Essex discovers that a Light is defective Essex will arrange for the Light to be repaired within the same timescale as applies to defective lights in the rest of Essex. The Payment shall not be varied as a result of any Lights being defective.
- 5.2 Essex will use reasonable endeavours to ensure that every Light in the District is in operational condition at any one time. Where Harlow has identified and reported or Essex discovers that a Light is non-operational or defective or damaged (howsoever arising) Essex will arrange for the Light to be repaired within the same timescale as applies to defective lights serving the Highway throughout the rest of Essex.
- 5.3 The Payment shall not be varied if any Lights are incorrectly identified as being outside the District, or if Essex's attempts to programme a light so that it remains on during the Dark Hours fail for any reason PROVIDED THAT if during the Term any of the Lights detailed in Schedule 2 which were taken into account by Essex for the purpose of calculating the Payment are found to fall outside of the District the cost of the energy used by such lights shall be calculated and the Payment shall be reduced by this sum pursuant to Schedule 1. Units detailed in Schedule 2 may be added to or removed during the term of the agreement.
- 5.4 The Lights in the District which were within scope of Essex's part night lighting policy and which have been taken into account for the purpose of calculating the Payment are set out in Schedule 2. The Payment has been calculated based on the Lights which were operating on a particular date each year (disregarding locations where the light was unavailable for technical or engineering reasons).

Schedule 1

“The Payment”

1. The full year payment for the period 1 April 2019 to 31 March 2020 is **£149095.27** which represents the cost to Essex for the electricity consumed by Lights during the Dark Period, which includes the Climate Change Levy.
2. The Payment for the period from the Commencement date to 31 March 2020 (due in accordance with clause 2.3) shall be half the full year Payment referred to in paragraph 1 above. The payment for the final year of this agreement will be subject to a pro rata adjustment if it terminates on a date other than 31 March.
3. The Payment for the period 1 April 2020 to 31 March 2021 and for each subsequent year thereafter is the full year Payment for the previous year adjusted by Essex to take account of:
 - (a) the introduction or withdrawal of any incentive or subsidy given pursuant to Paragraph 5 of this Schedule
 - (b) any increase or decrease in the cost of supplying energy to a Light in the District.
 - (c) any additional cost which Essex (rather than Harlow) should incur as a direct result of any changes made by Essex to its Part Night Lighting Policy or exemption criteria
 - (d) any changes to the number of Lights in the District that do not meet the exemption criteria if this would result in a change to the Payment of more than £1000 from the figure in paragraph 1 above
 - (e) any change in Climate Change Levy or the introduction or withdrawal of any charge or tax which directly affects the costs of illuminating the Lights in the District during the Dark Period
4. Any dispute about any changes to the Payment shall be dealt with in accordance with Clause 12.
5. If Essex provides any incentive or subsidy to any City, District or Borough Council within the County of Essex by Essex to support the City, District or Borough Council to fund illumination of street lighting during the Dark Period then the payment shall be adjusted so that Harlow receives

mutatis mutandis the same level of incentive of subsidy in accordance with Paragraph 3 of this Schedule.

6. No in year variation to the Payment shall be made if Essex reduces the energy consumption of any Light (for example as a direct result of the introduction of LED lighting)
7. For the avoidance of doubt the Payment shall not include maintenance or service costs associated with street lighting (whether it be for Dark Period or not) nor any associated overheads the cost and management of which shall at all times remain the sole responsibility of Essex.
