

PSEG – Matters Arising (February 2024)

Date of Meeting:	Agenda Item	Action	Status
December 2023	Work Programme	Issue raised on Flooding and wider Emergency Planning role of ECC.	Added to Work Programme
Other Issues	Recycling Centre Vehicle Booking System Pilot	Further information on the consultation responses (numbers not just percentages, any information on queues around bank holidays, etc) would be supplied to the Committee.	E-mail circulated to members
		It was agreed that the issue would be brought back to the Committee following the Cabinet decision (expected February 2024). <i>General comments passed to Cabinet Member ahead of decision.</i>	Added to Work Programme
	Local Highway Panels (issues originally raised in October 2023)	Information being sought to include the budget status of 'carry over' schemes (schemes allocated for funding in 22/23).	Awaiting response
