

## Station Road, Loughton – Site Photos

Facing north on Station Road

Facing north on Station Road, Limited Waiting bays proposed to be relocated shown centre, front of No.48's driveway shown right

Facing north east on Station Road, outside of No.48 (centre building) and the newly built property (right hand building). Limited waiting bay shown front left, no waiting lining shown right.

Facing south on Station Road, two properties which have had visibility concerns raised over shown far left. Bay which the proposed relocation will overlap slightly shown right.

Facing south on Station Road, example in which limited waiting bays have been installed parallel to one another.

Facing south west on Station Road, example in which limited waiting bay has been installed near to a driveway access and No Waiting has been installed in front of driveway.
