

Clarification in respect of Forward Plan entry

Due to an administrative error the report published in the Agenda for this meeting in respect of '**Harlow Gilston Garden Town - Decision on Acceptance of Housing Infrastructure Grant Funding**' quoted the Forward Plan reference FP/648/03/20. This reference relates to a previous report considered by Cabinet in May 2020.

The correct Forward Plan reference for the matter considered by Cabinet on 26 March 2021 is FP/809/09/20.
