

Equality Impact Assessment

Context

1. under s.149 of the Equality Act 2010, when making decisions, Essex County Council must have regard to the Public Sector Equality Duty, ie have due regard to:
 - eliminating unlawful discrimination, harassment and victimisation, and other conduct prohibited by the Act,
 - advancing equality of opportunity between people who share a protected characteristic and those who do not,
 - fostering good relations between people who share a protected characteristic and those who do not, including tackling prejudice and promoting understanding.
2. The characteristics protected by the Equality Act are:
 - age
 - disability
 - gender reassignment
 - marriage/civil partnership
 - pregnancy/maternity
 - race
 - religion/belief
 - sex/gender
 - sexual orientation.
3. In addition to the above protected characteristics, you should consider the cross-cutting elements of the proposed policy, namely the social, economic and environmental impact (including rurality) as part of this assessment. These cross-cutting elements are not a characteristic protected by law but are regarded as good practice to include.
4. The Equality Impact Assessment (EqIA) document should be used as a tool to test and analyse the nature and impact of what we either do or are planning to do in the future. It can be used flexibly for reviewing existing arrangements but in particular should enable identification where further consultation, engagement, and data is required.
5. Use the questions in this document to record your findings. This should include the nature and extent of the impact on those likely to be affected by the proposed policy.
6. Where this EqIA relates to a continuing project, it must be reviewed and updated at each stage of the decision.
7. The EqIA will be published [online](#):
8. All **Cabinet Member Actions, Chief Officer Actions, Key Decisions** and **Cabinet Reports must be** accompanied by an EqIA.
9. For further information, refer to the EqIA guidance for staff.

Section 1: Identifying details

Your function, service area and team: Essex Highways – Project Delivery – Highways Liaison

If you are submitting this EqlA on behalf of another function, service area or team, specify the originating function, service area or team:

Title of policy or decision: Tendring Local Highway Panel (LHP) – Chapel Lane, Thorrington

Officer completing the EqlA: Thomas Eng Tel: 07840637313 Email: thomas.eng@essexhighways.org

Date of completing the assessment: 15/01/2019

Section 2: Policy to be analysed

2.1	Is this a new policy (or decision) or a change to an existing policy, practice or project? - No
2.2	<p>Describe the main aims, objectives and purpose of the policy (or decision): To consider a trial of a One-Way system on Chapel Lane, Thorrington.</p> <p>What outcome(s) are you hoping to achieve (ie decommissioning or commissioning a service)? For Essex Highways to consider a trial of One-Way system on Chapel Lane, Thorrington.</p>
2.3	<p>Does or will the policy or decision affect:</p> <ul style="list-style-type: none">• service users• employees• the wider community or groups of people, particularly where there are areas of known inequalities? <p>Yes</p> <p>Will the policy or decision influence how organisations operate? No</p>
2.4	<p>Will the policy or decision involve substantial changes in resources? No</p>
2.5	<p>Is this policy or decision associated with any of the Council's other policies and how, if applicable, does the proposed policy support corporate outcomes? The LHPs deliver the following objectives in the Essex Vision:</p> <p>We will put residents at the heart of the decisions we make: it is our responsibility as elected representatives to take decisions on behalf of our communities. To ensure we make the best decisions we can, we will engage</p>

	<p>with our residents and communities, gathering their views on the issues that matter most to them.</p>
--	--

	<p>We will empower communities to help themselves: individuals, families, and communities have an important role to play in taking responsibility for what happens in their area. For example, evidence suggests that if communities simply accept the first acts of anti-social behaviour and low level crime they can quickly attract escalating problems and decay.</p>
--	---

Section 3: Evidence/data about the user population and consultation¹

As a minimum you must consider what is known about the population likely to be affected which will support your understanding of the impact of the policy, eg service uptake/usage, customer satisfaction surveys, staffing data, performance data, research information (national, regional and local data sources).

3.1	<p>What does the information tell you about those groups identified?</p> <p>Tendring is the fourth largest district in Essex in terms of total population and in 2016, it accounted for 7% of the total County population. It has one main urban area, Clacton-on-Sea. Tendring has a high proportion of over 65's and 17% increase is expected between 2012 and 2022 equating to 6,900 more residents. The working population is essential for economic growth and requires adequate housing, access to jobs/businesses and good highway links. The district attracts many tourists to the seaside areas of Clacton, Frinton & Walton and Brightlingsea.</p>
3.2	<p>Have you consulted or involved those groups that are likely to be affected by the policy or decision you want to implement? If so, what were their views and how have their views influenced your decision?</p> <p>Eight County Councillors and one District Councillor represent the views of local Residents on the LHP. The Councillors not only represents the views of local Residents but also Parish/Town Councils and other bodies, such as Housing Associations.</p>
3.3	<p>If you have not consulted or engaged with communities that are likely to be affected by the policy or decision, give details about when you intend to carry out consultation or provide reasons for why you feel this is not necessary. Please include any reasonable adjustments, e.g. accessible formats, you will provide as part of the consultation process for disabled people:</p> <p>Any scheme, which will involve a traffic regulation order, will undergo a separate consultation process. Programme information will be published on the ECC website.</p>

Advice

Keep your director informed of all equality & diversity issues. We recommend that you forward a copy of every EqIA you undertake to the director responsible for the service area. Retain a copy of this EqIA for your records. If this EqIA relates to a continuing project, ensure this document is kept under review and updated, eg after a consultation has been undertaken.
