# Community-run Libraries: Proposal Process (High Level)

## Proposal Document States

An **INITIAL** proposal is received directly from a proposer and has not yet undergone any quality assurance (QA)

A **VALID** proposal has been cleared as meeting criteria (min.) but has not been assessed for proposed service quality

A **VIABLE** proposal has been cleared as providing a service that meets community need with a clear sustainability plan.  
A **VIABLE** proposal is:

- A benefit to the community
- Low impact in the EqIA
- In a suitable and accessible location
- Business sound and financially sustainable
- Clear and practical grant intentions

An **APPROVED** proposal has been reviewed and received agreement to move forward and be legally agreed and implemented. The agreement has been granted by the Cabinet Member following a recommendation by the Comm. Lib Advisory Board
