

Dear Cllr Mackrory

I am writing to inform you that it is proposed to take a key decision which is not on the forward plan and we are likely to ask you to exempt from call in too.

Details of the decision are below. It is a follow on the previous one relating to distribution of funding to care homes.

Decision title	Particulars of decision and why it is impracticable to wait 28 days
Adult Social Care - Infection Control Fund, round 2 allocation	<p>Councils have been allocated a second round of funding to be passported to the market for Infection control measures. This fund is for measures between 1 October and 31 March 2021. The first tranche of monies was received on 2 October 2020 and the guidance stipulates that these monies should be with providers within 20 days of receiving the funds.</p> <p>If we wait the 28 days usually required for the forward plan we would not be able to adhere to this part of the guidance.</p>

Should you have any concerns please do not hesitate to contact me or Laura Davis-Hughes

Kind regards
