## **ACL Strategy Implementation**

**Cllr Tony Ball – Cabinet Member for Education  
Excellence, Lifelong Learning and  
Employability**

**Lisa Jarentowski – ACL Principal**

# PORTFOLIO VISION STATEMENT

WE WILL HELP SET THE AGENDA FOR EDUCATION AND SKILLS IN ESSEX, ENABLING SCHOOLS, PROVIDERS AND BUSINESSES TO UNDERSTAND KEY SKILLS PRIORITIES AND TRANSLATE THEM INTO DELIVERING RELEVANT AND JOINED UP PROVISION

Lifelong learning is about the people of Essex having equal access to excellent learning and training opportunities throughout their life-course. Opportunities that are clearly aligned to future need and relevant to local areas; levelling up success, driving down inequalities, and providing the means for success in achieving each person's ambitions

**Shaping** - the education and skills eco-system to provide clear pathways for these opportunities throughout people's lives

**Influencing** - taking the strategic lead in lobbying the government and influencing partners, so that we create the right conditions and structure for success

**Re-imagining** - the mechanisms the Council can use to effect meaningful and lasting change

**Overcoming** – removing as many barriers as possible to excellent learning and training opportunities through the effective use of funding and investment

**Inspiring** – joining up the journey from early years to further years so that there is a coherent trajectory, and where parents aspire and also inspire subsequent generations

# Key Points – delivery model

This strategy sits alongside an ongoing property review ensuring we offer learning spaces which are safe, inclusive, accessible, welcoming and sustainable.

- Supported by flexible hybrid and online delivery, online live and self led
- Fast track and rolling in year starts
- Outreach locations to widen participation and meet local needs
- In person delivery supports social capital and promotes community cohesion and interaction. It plays a role in supporting integration and community engagement, thus making places safer and more cohesive.
- Bring together people of different backgrounds in a friendly, supportive local space, also providing a place in which different services can address the multiple needs of learners at a neighbourhood level adding value to other services, such as those relating to health and wellbeing. E.g shared space with libraries

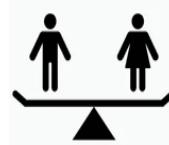

# Learner Characteristics - Headline

Based on enrolments between 2017/18 – 2021/22

## **Meeting the social and economic context for Intent**

**The ESFA non accredited funded is used for our community learning offer and as per the funding guidance from 2023/24 our curriculum must align to at least one of these seven strands:**

- Engaging and/or building confidence**
- Preparation for further learning**
- Preparation for employment**
- Improving essential skills (English, ESOL, maths, digital)**
- Equipping parents/carers to support children's learning**
- Health and well-being**
- Developing stronger communities**

- ACL curriculum intent takes into account the needs of learners, employers, and the local, regional, and national economy as necessary.
- The curriculum supports learners to develop their knowledge and skills beyond the purely academic, technical or vocational.
- ACL consults with employers and other various bodies on decisions for strategic direction on skills and economic needs.
  - Essex Skills Plan, Sector Development strategy, Localities team
- The ACL curriculum seeks to prepare learners for jobs that are currently evolving. e.g Retrofit
- Learning and training prepares learners for work, the changing needs of business, and supports with the development of relevant skills particularly in English maths and digital and develops behaviours to contribute to their employer's business.

# Property

## In progress

- LU Clacton, Harlow
  - Investment in Colchester Digi hub
  - Investment in Science and healthcare resources

## Future Work

- Centre locations
  - Research on ‘travel to learn’ to be carried out
  - Research on online delivery
- Expand our outreach delivery in key areas.
  - Rochford, Dovercourt / Harwich, Canvey, Stanstead
- Identify potential satellite centres – using Youth centres, libraries and schools in evenings and weekends.

# Recommendations and Next Steps

Recommendations that the Committee:

1. Supports the approach detailed within the ACL Strategy Implementation.
2. Supports us to publicise and encourage stakeholders to promote/collaborate with ACL services to residents.

Our next steps are:

1. Complete the final Curriculum Plan on confirmation of the funding allocation from the ESFA (April 2023).
2. Finalise target setting for Curriculum teams.
3. Consider further opportunities to maximise utilisation of property, investment in specialist resources.
4. Research and analysis the method and how far learners travel to learn to inform the ongoing property review.
