Title of Decision	Increase school age range from 3 years to 4 years
Brief summary of the issue to be decided	Hazelmere Infant and Nursery School in Colchester have requested to amend the operating model of the current school nursery and move to a Governor Led Model. The school nursery will continue to operate and there will not be any reduction to the nursery offer for local parents. To do this they need to increase their school published age range from 3 years old to 4 years old. This decision needs to be taken by the DfE's "Making Prescribed Changes to a Maintained School" statutory guidance.
