<b>Title of Decision</b>	Adoption of EV strategy
<b>Brief summary of the issue to be decided</b>	<p>To determine whether ECC will adopt our first Electric Vehicle strategy as part of our climate change agenda.</p> <p>The EV survey has a vision to support Delivery of “the right charger and in the right place” by applying the following strategic objectives:</p> <ol style="list-style-type: none"> <li>1. To develop an integrated EV offer that complements the promotion of reduced car use, increased sustainable travel choices and future mobility solutions</li> <li>2. To deliver an equitable electric vehicle charging network that promotes social justice through inclusive design, fair pricing and is accessible to all residents</li> <li>3. To deliver a healthy environment for all by helping decarbonise the transport system, reducing emissions from transport and improving air quality</li> <li>4. To guide and promote a resilient and safe charging network with infrastructure that is reliable, accessible, safe, compatible, easy to use and represents good value for money at installation and during its life</li> <li>5. Better connecting individuals and businesses throughout Essex, where car travel is necessary, to support the uptake of electric vehicles</li> <li>6. Create better places using infrastructure that is sensitively placed in the right locations, designed to complement our public spaces and minimises the impact on all members of society</li> </ol>
