Note:

- We have also recently written to Parish Councils and the broader membership asking if they have any topics that they would wish to be on the agenda for debate; Councillor Page and I will obviously sift suggestions to ensure they are appropriate for inclusion.
- We are looking to see how we can have a more meaningful dialogue on Transport and Highways at future East Essex Area Forum Meetings to avoid duplication in other areas.
- Topic areas might be subject to some change as we are keen to ensure timely and relevant debate in the east Essex Area Forum depending on the issues presenting at the time of the meeting.
