2. Minutes of PSB meeting held on 15 December 2021

The Minutes of the meeting of the PSB held on 15 December 2021 were approved as a correct record and signed by the Chairman.

The Chairman brought to the attention the Matters Arising and it was noted that:

- the Chairman of the PSB had written to the Chairman of the Audit, Governance and Standards Committee (Audit Committee) on 06 January 2022 setting out the Fund's support for the utilisation of the Public Sector Audit Appointments Limited (PSAA), the national procurement scheme to appoint the Fund's External Auditor for 2023/24 to 2027/28. This was presented to the Audit Committee on 31 January 2022 where it was agreed that the recommendation be taken to Full Council. It was subsequently approved at the 10 February 2022 Full Council meeting;
- a further update would be provided at Agenda item 3 in relation 2020/21 External Audit; and
- it was confirmed that the Administration Strategy and YouTube training video had been sent out for consultation to Scheme Employers on 24 January 2022. An update along with the final Strategy was provided at Agenda Item 5 for the Board's approval.

Members were informed that the remaining matters arising would be dealt with throughout the Agenda Pack.

3. External Audit 2020/21: Audit Completion Report Year Ending 31 March 2021

The Investment Manager informed the Board that the Fund was now in receipt of a revised draft Pension Fund Audit Completion Report which was due to be presented to the upcoming Audit Committee on 21 March 2022 along with Essex County Council's Audit Completion Report. It was explained that little had changed with its content and as previously advised, no significant issues had been identified and an unmodified audit opinion was still anticipated.

It was noted that due to an outstanding matter with the County's Audit the Auditors were still not in a position to confirm when they will be in a position for the County's and Pension Fund's Financial Statements to be signed off.

In addition, it was noted that BDO was not in a position to present their Audit Planning Report for the Year Ending March 2022 to the forthcoming Audit Committee meeting. This is now expected to go to the June 2022 meeting.

Resolved:

The Board noted the content of the Report.

4. Update on Pension Fund Activity: Quarterly Update Report

The Compliance Manager provided the Board with the Scorecard position as of 31 December 2021 and an update on progress in relation to the 2021/22 Business Plan, Risk Register and Budget as at 09 March 2022.

Of the forty-five areas of activities highlighted in the Business Plan, the Board noted that forty-two of these had now been completed and of the remaining three activities, one was not applicable and the remaining two would be completed by 31 March 2022.

Members acknowledged the efforts of everyone involved with the Fund in achieving completion of the forty-two activities to date.

Three movements were noted within the Fund's Scorecard, two improvements, and one decline. The successful recruitment process to appoint Christopher Downes as the new Scheme Member representative on the PAB had resulted in a red measure turn green. Whilst a red measure was recorded for the quarter as a result of a 67% attendance rate at the PAB's 15 December 2021 meeting. The final movement from amber to green related to the increase in number of positive Member Survey responses in regard to 'understanding the information'.

The exception report also detailed the continued red measure as of 31 December 2021 relating to the External Audit position which previously been discussed at Agenda Item 3.

Members agreed that going forward annual measures that were amber need not be reported quarterly until they were remeasured. It was also agreed those measures that were amber and unchanged from the previous meeting need not be reported unless any movements had been recorded within the quarter.

It was further explained that two movements had been recorded within the Risk Register noting that one risk had been upgraded as a result of the heightened likelihood of a Cyber related incident and one downgraded due to more certainty around Local Government Pension Scheme (LGPS) reform and its implications on the Fund. It was also confirmed that no new risks have been identified.

Members noted that the Fund was forecasting a 14% underspend against the agreed 2021/22 Budget. This was largely driven by the length of time to recruit new Fund staff.

Resolved:

The Board noted the latest Pension Fund Activity Report.

5. Essex Pension Fund Policies & Publications

5a. Three-Year Business Plan and 2022/23 Budget

The Board received a report in regard to the Fund's Three-Year Business Plan which detailed the Fund's priorities from 2022/23 to 2024/25.

Members were made aware of the new Business Plan activities that were programmed to commence during 2022/23. These included:

- the implementation of the Fund's Stakeholder Engagement Strategy;
- the PAB Annual Workplan;
- the 2022 Actuarial Triennial Valuation;
- further work to be carried out in regard to Responsible Investment and the Fund's Investment Strategy; and
- work relating to the LGPS Reform.

It was highlighted that the PAB Annual Workplan was developed as a consequence of the discussions at the last Board meeting in regard to the work that could be undertaken by the PAB to assist the Board in its Business Plan areas of activity and as a direct outcome of the PAB Governance Effectiveness Review.

In addition, Members considered the proposed Budget of £5.77m to support the Fund's 2022/23 activities as detailed in the Business Plan.

Resolved:

The Board **approved** the:

- Essex Pension Fund Three Year Business Plan for 2022/23 to 2024/25;
- the PAB Annual Workplan; and
- Essex Pension Fund Budget for 2022/23 of £5.77m as detailed in the Business Plan.

5b. Stakeholder Engagement Strategy

Members received a report from the Investment Manager in relation to the development of the Fund's Stakeholder Engagement Strategy. It was explained that the Strategy formalises how the Fund engages with its many types of Stakeholders building around a core set of values and behaviours and sets out the Fund's Resolution Process.

It was noted that the Strategy was not developed as part of a regulatory requirement and the Fund was not aware of any other Local Government Pension Scheme having such a standalone Strategy but was a way the Fund could demonstrate how it wishes to continue to strive for excellence and be innovative. To this end, it was explained that all Essex Pension Fund Officers had contributed to its creation via the outputs of a recent Staff Away Day.

Board Members expressed their delight with the Strategy, supporting the Strategy's Values Statement.

Resolved:

The Board **approved** the Essex Pension Fund Stakeholder Engagement Strategy and noted the content of the report.

5c. Administration Strategy

It was noted that following the Board's approval, the Draft Administration Strategy had been issued out for a four-week consultation to Scheme Employers closing 25 February 2022. As per the Board's suggestion, the YouTube Administration training video was issued alongside the consultation resulting in a total of sixty views.

Four comments were received from Employers resulting in two minor revisions.

In addition, it was noted that the Chairman had requested Fund Officers to make three further minor amendments to include:

- "or other suitable person" at paragraph 3.1.2 (page 167 of the Agenda pack);
- "or other date as set by Government" at 1.6 of table (page 173 of the Agenda pack); and
- "Compensated Added Years" added to the acronym CAYs (page 184 of the Agenda pack).

Members observed the longer legal timeframes set for key administration tasks to that of the Fund's own set targets. Fund Officers confirmed that the Fund currently measures itself favourably against the Chartered Institute of Public Finance and Accountancy benchmark which provides administrative benchmark averages across the whole of the LGPS.

Resolved:

The Board **approved** the Essex Pension Fund Administration Strategy and noted the content of the report.

6. Local Government Pension Scheme (LGPS) Reform

6a. National Pensions Dashboard

The Board received a report from the Fund's IGAA in respect of the National Pensions Dashboard and the recently issued consultation.

It was explained that the Dashboard was a Government initiative in which people will be able to view all their individual pension entitlements in one place and has been on the Fund's radar for the last couple of years. The IGAA provided Members with further clarity and the suggested timeline of the project which was detailed in Appendix B of the report.

Members registered the Fund's support of the Local Government Association's (LGA) draft response to the National Pensions Dashboard consultation issued by The Department for Work and Pensions (DWP), echoing that the implementation timeframe suggested by DWP was not practical for LGPS Funds.

Resolved:

The Board noted the update and the content of the report.

6b. McCloud Update

The Employer Manager presented the Board with an update in regard to the McCloud timeline.

Members were informed that the Bill had been laid before Parliament during January 2022 and received Royal Assent on 16 March 2022. It was explained that the expected timeline for the next steps were:

- Summer 2022 - Remedy Regulations;
- August 2022 - Guidance consultation;
- Winter 2022/23 - Final Guidance; and
- Remedy effective from October 2023.

It was also noted that Officers had already undertaken preparatory work in relation to this, however, until the Guidance was issued the changes that would need to be undertaken regarding the Fund's systems would remain unknown.

Resolved:

The Board noted the update.

7. Quarterly Update Report

It was confirmed that the ISC had met on one occasion, 23 February 2022. Members were advised that Officers had spoken to the incumbent, Debs Hurst, who confirmed that she would like to continue in her role.

Therefore, it was recommended that the Term of Appointment for Debs Hurst be extended for a further two years in line with the PAB's Term of Reference.

Resolved:

The Board **agreed** to extend the current Term of Appointment for Debs Hurst up to six years in line with the PAB's Term of Reference and noted the content of the report.

The Board received a joint report from the Compliance Manager and IGAA in regard to the outcome of the PAB Governance Effectiveness Review. The IGAA informed the Board that the results of the review were overwhelmingly positive and that no significant issues were identified.

It was explained that the PAB discussed the results of their review at their December meeting where a discussion around succession planning for the PAB took place. At this meeting it was agreed that a recommendation be made to the PSB that a pamphlet be developed to set out the expectations around the role of PAB Members, the level of commitment and the level of support provided by Fund Officers to assist them in their role.

Of the 700 plus Fund Employers, two potential at-risk Employers were identified who were without security or guarantor, it was explained this was due to the historical admission to the Fund of the Community Admission Bodies.
