

Urgent Decisions

Part 1: Key decisions taken with less than 28 days prior notice.

The following decision was taken after giving five clear days' notice to the Chairman of the Corporate Policy and Scrutiny Committee because it was not practicable to give the full 28 days' notice. The notice to the Chairman was also published on the Council's website.

Part 2: Decisions Exempt from Call-in

The following decisions were taken which were either not key decisions or where prior notice was given, but the Chairman of the Corporate Policy and Scrutiny Committee agreed that it was in the best interests of the Council for the decision to be implemented urgently and the decision was therefore exempted from call-in.
