- the Fund had signed up all Members of the PSB, Investment Steering Committee (ISC) and PAB to the Local Government Pension Scheme (LGPS) Online Learning Academy (LOLA) which went live on 10 December 2021. All Members were advised that they should have received an email from Hymans Robertson and the Compliance Team inviting them to register and were reminded that if they were having any difficulties using the system, to contact the Compliance Team who would be able to provide support;
- Fund Officers would advise Members which modules would be recommended for completion at certain points throughout the year based on the PSB, ISC and PAB meeting Agendas. However, Members may wish to proceed with the completion of the training modules should they wish to do so;
- completed Training Needs Analysis (TNAs) from all new Members of the PSB, ISC and PAB have been received and one-to-one meetings with these Members have been scheduled for January 2022;
- the Fund is now in receipt of the draft Audit Completion Report from BDO which was provided as part of Agenda Item 3; and
- both the PAB Scheme Member and Independent Chairman recruitment processes had been completed with a further report for the Board's consideration provided at Agenda Item 5b(ii).

The Compliance Manager provided the Board with an update on progress against the Two-Year Training Plan.

Members were informed that the remaining matters arising would be dealt with throughout the Agenda Pack.

9. **Urgent Part One Business – National Scheme for Local Auditor Appointments**

The Board received an update from Christine Golding, Essex County Council (ECC) Chief Accountant on a report considered at the Audit, Governance and Standards Committee (Audit Committee) meeting held on 13 December 2021 in regard to the options available to local authorities for re-procuring and the appointment of an External Auditor for ECC and the Fund for the next cycle of external audits (2023/24 to 2027/28).

The two options presented were the utilisation of the Public Sector Audit Appointments Limited (PSAA), the body responsible for appointing external auditors for each local authority that opts into its national procurement scheme process or alternatively that ECC undertake a standalone independent procurement exercise to appoint its own External Auditor.

The Board considered both options, noting the pros and cons for each and reluctantly agreed to support the recommendation that PSAA's national procurement arrangements be used.

Resolved:

The Board **agreed** to support the recommendation that ECC opt into the PSAA national procurement scheme and that the Chairman would write to the Chairman of the Audit Committee, confirming that the item had been fully discussed with the Board and to express the Fund's support for the proposal.

3. **External Audit 2020/21: Audit Completion Report Year Ending 31 March 2021**

The Investment Manager updated the Board on the current status of the audit and the outcome of the draft Audit Completion Report for the Fund. It was noted that no significant issues had been highlighted and that an unmodified audit opinion was anticipated.

However, due to the delays in finalising the Council's audit, the intention was that BDO would now present their findings to the rescheduled Audit Committee on 17 January 2022 where it was hoped that the Financial Statements for both the Pension Fund and County would be approved.

Despite BDO outlining the continued issues they were experiencing in regard to completing the Fund audit, Members expressed their disappointment for yet further delays and the knock-on effect this had on Fund Officers completing the annual plan of work and estimated costs.

Member's acknowledged that Officers have worked above and beyond to facilitate BDO with the external audit acknowledging that the issues being sighted were out the Pension Fund's control and as a consequence, it was

agreed that the Chairman of the PSB further write to the Chairman of the Audit Committee to express the Board's ongoing concerns.

The Board were informed that Fund Officers successfully published the Fund's Report and Accounts (R&A's) by the statutory deadline of 01 December 2021. However, for the reasons mentioned this was in draft and without the audit opinion.

Resolved:

That the Chairman write to the Chairman of the Audit Committee expressing the Board's disappointment in regard to the further delays in the sign off of the Audit and that the Board noted the content of the Report.

4. Update on Pension Fund Activity: Quarterly Update Report

The Compliance Manager provided the Board with the Scorecard position as at 30 September 2021 and an update on progress in relation to the 2021/22 Business Plan and Risk Register as at 30 November 2021 and Budget as at 06 December 2021.

Of the forty-five areas of activities highlighted in the Business Plan, the Board noted that twenty of these had been completed and of the remaining activities all were on track to be completed by 31 March 2022.

It was also noted that the Fund was forecasting an 8% underspend against the agreed 2021/22 Budget.

In relation to the Scorecard, two improvements within the exception report relating to Administration were noted. One movement from amber to green in regard to the annual measure for processing and paying refunds within ten working days and the other, a movement from red to amber in regard to the annual measure for calculating and notifying deferred benefits within thirty days.

The exception report also detailed two red measures as at 30 September 2021. One in relation to the PAB vacancy, however, the Board were advised that the recruitment process was now complete and that this would be green at their next meeting. The other red measure was in regard to the External Audit position which had already been discussed at the previous Agenda Item. The remaining amber measures were noted by the Board.

It was also explained that two movements had occurred within the Risk Register noting that both were in regard to the knowledge, expertise and reliance on the Fund's Advisers which had been re-assessed by Fund Officers as all had contract end dates within 18 months of each other and potentially they were all approaching an age where thoughts of retirement may be of consideration. Members were made aware that discussions would be held with each Adviser to establish succession planning arrangements.

The Board noted the latest Pension Fund Activity Report.
