

### Health Overview Policy and Scrutiny Committee

This scrutiny committee reviews and scrutinises matters relating to the planning, provision and operation of health services in the County of Essex. Including primary, secondary, tertiary care, and public health, and may involve reviewing the work of commissioners (such as local clinical commissioning groups), providers of health services (such as hospitals) and other organisations in the health sector.

- Here you can find listed the most recent articles or reports of this committee.
- You can also go directly to the [previous and scheduled agenda and minutes](#).
- Or you can see [the online calendar](#) to see when other meetings are scheduled.
