- Scheduled Bodies, which are local authorities and similar bodies who are automatically entitled to be members of the Fund; and
- Admitted Bodies, which are other organisations that participate in the Fund under an admission
 agreement between the Fund and the relevant organisation. Admitted Bodies include voluntary,
 charitable and similar bodies or private contractors undertaking a local authority function following
 outsourcing to the private sector.

4. Work of the PSB and the ISC

The following key issues were considered by the PSB/ISC between 1 April 2019 and 31 March 2020:

Governance

During 2019, the Fund conducted a full review of the PSB, ISC and PAB Terms of Reference. This was an extensive piece of work drawing in advice from the Fund's IGAA and ECC's Monitoring Officer and concluded with a revised Governance Policy and Compliance Statement being approved at the PSB's 4 March meeting.

This piece of work set the foundation for the PAB Membership review which saw the extension of the Independent Chairman for a further two years, the appointment, following an extensive interview process of

two new Scheme Member Representatives and the re-appointment of the Essex Fire Authority Employer Representative.

In addition, a review of the PAB meeting arrangements was carried out. The review concluded that effective from 1 April 2020 PAB meetings would align with the PSB by following their morning meeting, thus increasing the number of meetings to four.

A review of the Fund's governance arrangements effectiveness is due to be undertaken by the Fund's IGAA at the end of 2020/21.

Fund Officers in conjunction with the PSB undertook an extensive review of the Fund's objectives and risks in 2018/19, resulting in the Fund completing a new style 2020/21 – 2022/23 three-year Business Plan. This sets out the Key Priorities and Strategic Business as Usual for the next three years across the five key areas of: Governance, Funding, Investments, Administration and Communications. This piece of work has set the direction for the Fund for the next three years and was approved by the PSB at their 4 March 2020 meeting. The Business Plan has also been published on the Fund's website (essexpensionfund.co.uk).

In addition, the Fund, assisted by the PAB, have reviewed compliance against the recommendations made in the Scheme Advisory Board's (SAB) Good Governance Project and have reported the assessment to the PSB during the course of the year. The PSB noted the Fund was in a good position going forward.

Funding

This year saw the outcome of the Actuarial Triennial Valuation that was undertaken as at 31 March 2019. It was noted that the funding level had improved to 97% (89% funding level at 31 March 2016). This was consistent with the interim reviews that were conducted in 2017 and 2018 where the funding levels increased from 89% to 93% and 94% respectively. The PSB, whilst welcoming this outcome was mindful that the Fund over recent times had experienced investment performance above the actuarial assumption and of its Funding objectives, in particular setting stable contributions. As such it was agreed that a 5% asset shock be included within the actuarial calculations, thus allowing a buffer should the Fund experience future adverse market conditions.

In addition, the Fund's Funding Strategy Statement which took on board several new aspects was issued out for consultation to Members of the PSB and the participating Employers which concluded on 2 March 2020. At their March 2020 meeting, the PSB approved the Funding Strategy Statement which was subsequently published alongside the Actuarial Valuation report by the statutory deadline of 31 March 2020.

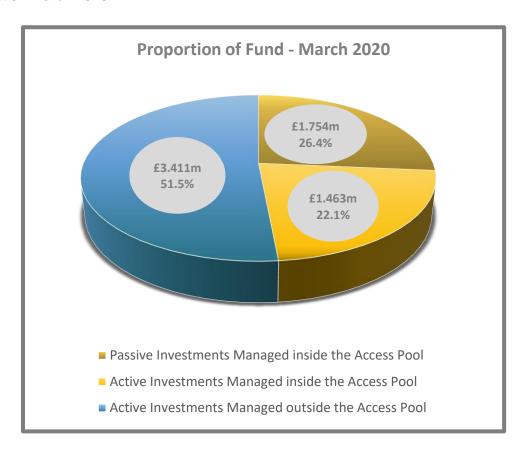

The Fund has also been preparing for the impact of the Government changes to regulations resulting from the McCloud judgement, the unpausing of Cost Cap, the £95k Cap and Goodwin. These will impact on the Fund's Employer, Administration and Communications teams over the coming years.

Asset Pooling

Alongside the ten other Funds within the ACCESS Pool, Essex continues to progress the pooling of its investment management arrangements.

2019/20 saw the implementation of the ACCESS Support Unit (ASU), hosted by ECC, and funded by the eleven ACCESS Funds to oversee the pooling of investments and the management of the ACCESS Pool Operator, Link Fund Solutions (Link). As at 31 March 2020, Link had launched 15 ACCESS sub funds.

By the end of 2019/20 the Fund had around half of the asset portfolio under ACCESS pooled governance. Fee savings realised in 2019/20 was in the region of £2m. The chart below summarises Essex's pooling progress as at 31 March 2020.

Investment Strategy and Responsible Investment

The ISC continued to make significant progress in its migration away from equities to alternative assets. In order to reach its target strategic allocation of 45% the ISC agreed and implemented a new 4% allocation to Partners Group to manage a global property mandate along with additional allocations to the Fund's infrastructure and timber managers: IFM Investors; JP Morgan; and Stafford Timberland.

The ISC focus for the year was around the review of the Investment Strategy Statement, in particular the consideration of Economic, Social and Governance (ESG) factors in order to develop a Responsible Investment (RI) Policy.

The ISC convened a workshop in October 2019 specifically on ESG to enable a more in-depth discussion around ESG factors. At its November 2019 meeting an update was provided on the outcome of the RI Workshop, which led the Committee to articulate and agree a set of RI beliefs. Members, in line with their belief to work collaboratively with other pension funds, also agreed to join the Local Authority Pension Fund Forum (LAPFF).

The RI beliefs now form an RI Policy which was agreed at the February 2020 ISC meeting, enabling it to be shared with the Fund's Investment Managers for their feedback and comment.

The full Investment Strategy Statement with the inclusion of the RI Policy will be subject to a full stakeholder consultation in the Summer and subsequently published during 2020/21.
