

## Notice of Proposed Amendment

Motion to be amended: Strategic Infrastructure

Proposer of amendment: Cllr A Davies    Seconder of Amendment: Cllr I Henderson - Labour

---

That the motion be amended so as to include the additional words underlined and the removal of the words struck out below:

This Council acknowledges the excellent work and collaboration being carried out to improve the major infrastructure routes in Essex between this Administration, Government Agencies, Businesses and Essex Unitary, City, Borough and District Council colleagues.

Consultation work on improving the A120 between Colchester and Braintree, work to improve and upgrade the A12 and a brand new junction at 7A on the M11 plus improvements to Junction 7 and 8 will all increase and improve our economy, productivity and unlock sustainable housing for generations to come.

This Council also recognises that we must be relentless in ensuring the A127 and the A13 are improved to assist the economic plans of south Essex and this Council will continue to work with Government to ensure the powerhouse that is the Essex economy receives its fair share of infrastructure funding.

At the same time this council recognises the importance of maintaining the current local road infrastructure for the benefit of all road users across the county.

This Council therefore calls upon Government to proactively support the delivery of this vital infrastructure and provide the necessary ongoing investment to maintain local roads in advance of major housing development in Essex.
