

### **Liberal Democrat Amendment to Motion 3: Business Rates Retention Scheme**

**Moved by Councillor McKinlay and seconded by Councillor Spence**

'With the phasing out of the revenue support grant, ECC welcomes government plans to introduce pilot programmes for the retention of business rates and expresses its continuing commitment to engage in such schemes. The 100% Business Rate Retention scheme, due to come in in 2020/21 will provide additional financial support to local government, with an anticipated national annual surplus of £6.25 billion.

This money is currently unallocated. The Council calls upon the government to use all of this pot of money for the funding of pressures in Social Care, and is proposing to work with central government to ensure the final arrangements work both nationally and for the benefit of Essex residents.'
