WORK PROGRAMME

Briefings

Further briefings and discussion days will continue to be scheduled on an ongoing basis as identified and required.

Formal committee activity

Items programmed to come to Committee are listed in an updated Appendix A.

Task and Finish Group activity

A Task and Finish Group has been established to scrutinise drug gangs, knife crime and county lines. The Group has met three times so far with further scrutiny days planned during October. The Group intends to report to the full Committee in either November or December.

Chairman and Vice Chairmen meetings

The Chairman and Vice Chairmen meet monthly in between scheduled meetings of the Committee to discuss work planning and meet officers as part of preparation for future items. The Chairman and Vice Chairmen also meet the Cabinet Members for Education, Children & Families, and Health and Adult Social Care on a regular basis.

Action required by Members at this meeting:

To consider this report, discuss future work activity, and whether any changes are required to the work programme.
