## DIVISION LOCATION

## DISTRICT LOCAL AUTHORITY PORTRAITS

### District: Epping Forest

Epping Forest is a mixture of rural and urban areas and stretches northward from its boundary with Greater London right into the heart of rural Essex. Covering 131 square miles, the key population centres are the commuter towns of Loughton, Chigwell and Buckhurst Hill, as well as the market towns of Epping, Waltham Abbey and Ongar. Some areas have relatively good transport links with both the M11 and M25 motorways. In the rural nature areas, however, there are accessibility issues for some without private transport, especially in outlying villages.
