## DISTRICT LOCAL AUTHORITY PORTRAITS

### District: Harlow

Harlow is one of a number of 'new towns' built in the 1950's to provide social housing to people living in London. Covering an area of 12 square miles, the town was designed by the architect Lord Gibberd and built on a theme of neighbourhoods around the town centre. Each of the original seven neighbourhoods has necessary amenities – shops, schools, church, health centre and district council neighbourhood offices. The aim across the town was to have large areas of green open spaces - most of which have been preserved.
