

Appendix C - Site Photos

Note:

Some parking restrictions (double yellow lines) and speed control measures (20mph) have been installed on site as the prerogative of the developer during construction to prevent obstructive and inconsiderate parking by works traffic, so as to promote safe access for site workers and residents.

These site restrictions will need to be removed and re-installed where deemed necessary to conform to the Highways Act 1980 Section 38 Agreement and Traffic Regulation Order (TRO) schedule, prior to the road adoption and if approved the sealing of this TRO, respectively.

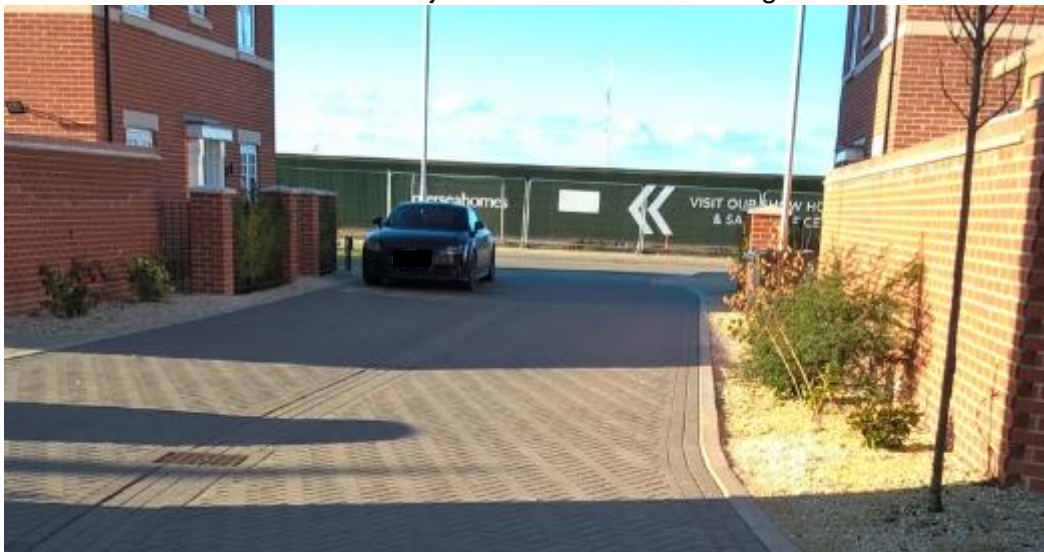

BOXTED ROAD LINK

Below is a view eastwards at Nayland Road A134 / Wildeve Avenue j/w Boxted Road Link.

CANSEND ROAD
